Re: Standard Marijuana Cultivation Facility #10959

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted. **All corrections/additions to any form(s) must be initialed by the proposed licensee.**

- **MJ-02 Premises Diagram**
  - On the diagram where you show the rooms: please very clearly show the licensed premises, and within the licensed premises clearly show the restricted access areas (label them and use different color).
  - Clearly show the surveillance room.
- **Proof of Possession for Proposed Premises**
  - The lease needs to incorporate a statement that the landlord will not remove marijuana or marijuana products from the premises and that State of Alaska-AMCO will be notified.
  - Throughout the lease there is reference of a "Shopping Center". Is the proposed location for this marijuana establishment in a shopping center? If this is a shopping center, is there a unit number for the proposed location?
  - Section 4 of the lease mentions …"Cost of Alaska Railroad Lease payment"… what does this mean?
- **Entity Documents**
  - Please provide Green Go, LLC's Operating Agreement.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Cynthia Franklin, Director
