Hi, Deborah,

I reviewed your corrections.

POPPP: The revised lease is still inadequate. I asked for a legally binding lease that would include some points (see the incomplete letter), the statement didn't mean that only those extra points were needed on the lease. The revised lease you submitted does not have the signatures of all parties, and it does not talk about the amount of rent. If you just google the term legally binding lease it will bring up the components of it. Please submit a legally binding lease with all the disclaimers requested in the incomplete letter.

MJ-02: On the statement in the incomplete letter of "…talk about a fence.." I meant to say you mention your residence. Will you please label your residence on the diagram.

This email does not extend your 90-day window to complete your application. The deadline to complete this application is 10/24/17.

I am out of the office starting tomorrow until midweek next week. Please make sure you submit complete documents.

Thank you
Jane
