To whom it may concern please see the attached letter concerning the above Subject ***Limited Marijuana Cultivation Facility license #12805.***

Thank you,

Elizabeth E Schmidt

June 1, 2017

To whom it may concern,

I am writing this letter to express my concern(s) about the Purple Quail LLC which is applying under 3 AAC 306.400(a)(2) for a new Limited Marijuana Cultivation Facility license, license #12805, doing business as SUNRISE GARDENS, located at 14017 West Sunrise Drive, Big Lake, AK, 99652, UNITED STATES.

1. My first concern is that we are in a residential neighborhood of several families with teens and small children. The street itself is the only place to walk, ride bikes, push strollers, etc. so I'm concerned about an increase in traffic and the possibility of what kind of people that traffic may include. I know it is only a grow facility and not a retail shop but there will be those around who have an interest in the long term product and, unfortunately, not all of them are of sterling character.

2. There is only one house between our residence and the facility. I do understand that there is to be strong security measures including surveillance and handling of the marijuana. However, since we have lived here just under 3 years there has already been a robbery at that residence. My concern lies in the fact that I am well aware that no matter how much security a business may have it will never be infallible. I feel a business of this type could well attract more criminal minded people to our neighborhood and if unsuccessful there would turn to robbing others. Big Lake already has a lot of burglaries and we do not need more.

3. I have a question in mind as to what will happen to our property values.

4. I have never been in favor of the use of recreational marijuana as over the years I have seen the first hand, long term damage done to users of this drug.

Sincerely,

Elizabeth E Schmidt
