Re: Retail Marijuana Store License Application #10008

Dear Applicant,

AMCO staff has reviewed the online application and supplemental documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted.

- All MJ forms
  - Because you initiated this application with Bldg 2, Unit E as your premises address and your lease also indicates the premises address in this way, each MJ form must include Bldg 2, Unit E in the premises address field
  - The licensee field in Section 1 of each MJ form needs to be corrected to list out the 3 individual licensee names as listed on the system generated cover page
- MJ-01 Operating Plan
  - Page 16, box 1
    - Will all of your signs comply with 3 AAC 306.360(a) which states that "a sign may be placed in the retail marijuana store's window or attached to the outside of the licensed premises"?
    - Please remove the statement that you will have a sign in the plaza sign per our conversation today
- Proof of Possession of Proposed Premises
  - The tenant should be the 3 individual licensee's names instead of the LLC name since you are a partnership
    - Please amend the signature line as well
  - Section 13
    - You need to include an exception for marijuana and marijuana products and that AMCO Enforcement will be notified in the event it needs to be removed from the premises

- Entity Documents
    - Per 3 AAC 306.020(b)(3)(A) you must submit the partnership agreement

Please note per 3 AAC 306.025(f) you must make these corrections and submit these items to complete your application not later than 90 days after the date of this notice. If you fail to complete your application during the 90 day period after this notice, you will be required to file a new application and pay a new application filing fee to obtain a marijuana establishment license.

Sincerely,
Cynthia Franklin, Director
