Good afternoon,

I have reviewed the corrections you submitted. Little more work needs to be done:

- MJ-01 Operating Plan
  - Page 2, AMCO Enforcement or director, or a peace officer, when acting in an official capacity, should not be considered "Visitors".
  - Page 9, expand upon your answer: are you going to back up the records anywhere?
  - Page 11, what is Handle Alaska?
  - Page 12, first box, there is a specific marijuana waste to compostable/non-compostable material ratio that must be used. What is it ? include it in your answer in this box.
  - Page 15, first box: this box needs more work. You need read 3 AAC 306.470, 3 AAC 306.475, and 3 AAC 306.750 and explain in more detail how your establishment will comply with those rules. Talk about the manifest, the labels, the weight requirements, etc.

- MJ-02 Premises Diagram
  - The diagram clearly needs to label the proposed licensed premises and restricted access areas. If the "Secured Area" will be the licensed premises and the restricted access area, your diagram needs to clearly state it.

- MJ-04 Cultivation Supplemental
  - Page 5, expand upon your answer and describe how your establishment will comply with 3 AAC 306.465.

- Entity Documents

  - You did not submit the LLCs' Operating Agreements as requested in original incomplete letter. Excerpt from letter: Please provide the Operating Agreements for both Blueberry Hill, LLC and KGB Investments, LLC (I will be looking for each operating agreement to list the correct ownership structure, this ownership structure must coincide with what Division of Corporations states including percentages for each member for each LLC).

Please note that this follow up email does not extend the 90-day deadline to have this application complete per 3 AAC 306.025(f). The deadline to get this application deemed complete before starting over from scratch is 12/12/17.
