- **MJ-01 Operating Plan**
  - On page 12 in the top box, under current regulations you may not move marijuana or marijuana product to your cultivation in order to render it unusable. You must render it unusable within your licensed premises and in a restricted access area.
  - On page 15 in the top box, please type out the full warning statements.
- **MJ-02 Premises Diagram**
  - Please designate your retail licensed premises and restricted access areas.
  - Please provide an aerial image showing the location of your proposed licensed location.
- **MJ-03 Retail Supplemental**
  - Be aware that your anticipated method of "Trade and Barter" is being researched to see if it complies with statutes and regulations.
- **MJ-08 Local Government Notice Affidavit**
  - Please correctly fill out the "Name of Official" and "Title of Official" sections.
