Yes, we received it. So this means that we have to give the public notice to another government agency? Do we have to repost the notice for another ten days as well?

High Importance

Good afternoon,

We are rescinding the attached Complete Application letter sent to you yesterday, I have removed your application from the agenda.

Your local government notice and your online application stated that the Fairbanks North Star Borough is your local government. Based on that information I sent the application to the Fairbanks North Star Borough, however, I just received an email from the Borough stating that this location is within the jurisdiction of the City of Fairbanks.

What I need from you is for you notify the City of Fairbanks by providing them with a copy of the Public Notice. I will need a new MJ-08 completely filled out and notarized. At that point I will put your application back on the agenda for November.

Thank you
Jane
