I have updated the system to show the new DBA.

In addition to the items listed in the incomplete letter the following needs to be done:

- A one-time newspaper ad with the new DBA will need to run on a newspaper of regular circulation (make sure you bring the Advertisement Notice to the newspaper to ensure the correct wording is on the ad)
- The Public Notice will need to be posted at both the location of the proposed premises and another conspicuous location. It only has to be re-posted for five day. A new MJ-07 completed and signed in front of a notary must be submitted to us after the posting of the Public Notice.
- The local government must be re-notified by providing them with a copy of the Public Notice. A new MJ-08 completed and signed in front of a notary must be submitted to us after you have done so.
- Every single section in the entire application packet/documents that references the old DBA must be replaced with the new DBA.

This email does not extend the 90-day deadline outlined in the original incomplete letter.

Jane,
My apologies.
Please do not use Business License 1059759. This is the old business license with BUIK HONG as the sole proprietor.

The NEW business license for Fairdanks Cannabis is #1059784(attached).

https://www.commerce.alaska.gov/CBP/Main/Search/BusinessDetail/1059759 . It was applied for as a sole proprietor. Thus, I am not able to change the business license. The business license needs to be attached to West Front Andrew, LLC.

Because you are not Buik Hong you will need request all the documents as a public records request sent to this same email address but in the subject line it needs to say public records request. It will then be forwarded to the appropriate person for processing.

Thank you
Jane

Jane,

Thank you for your prompt response in this matter.
A name change has been conducted. Andy's Toking has changed to FAIRDANKS CANNABIS. Please note that FAIRDANKS CANNABIS and Andy's Toking is linked to the same entity, West Front Andrew, LLC. Business License #1059759

We would like our previous documents sent back to us via email- so we may resubmit them with the new retail DBA name.

Thank you, Jane.

Hi Jane,

If we were to obtain a new business license for our DBA name, is there any expectation or requirement to revoke our previously submitted applications? I would submit all the MJ application documents with the new DBA name.

Kind regards,
Vivian
