Re: Retail Marijuana Store License #11966

Dear applicant,

The AMCO Office has reviewed documents submitted for the transfer of ownership in the marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.** Please be sure to read the entire letter.

- **MJ-00 Application Certifications**
  - On page 3 of MJ-00, Thomas Desalvo initialed all the boxes but there is one statement that should not apply. Please re-read the statements and correct this page accordingly.

- **MJ-01 Operating Plan**
  - Page 3, 3.3: please provide a sample of licensee-produced identification badge, and of visitor badge. I will take a separate page for this to put it with MJ-01.
  - Page 10, 9.2: please provide sample(s) of the business name logo, it was not provided.

- **MJ-02 Premises Diagram**
  - On diagram 1, please use a different color or shade and outline or shade all the bathrooms, and label the outline or shade as licensed premises but not restricted access area(s).

- **MJ-17c License Transfer Application**
  - Page 1, section 2: the business license 1065163 is for Great Northern Retail Stores, Inc. but what I need in this section is the business license for Great Northern Cannabis which is 1065429. Great Northern Cannabis is the DBA the retail store will go by, correct?
  - On page 4, section 4: the group of people in this application (or some of them), are also licensees under a different entity for other licenses, correct? Please include all the licenses for which this group of people (or some of them), are licensees.

- **Proof of Possession for Proposed Premises**
  - The lease submitted with this transfer application is to Great Northern **Cannabis**, **Inc**. but we need proof of possession for Great Northern **Retail Stores, Inc.** HOWEVER, please note that because the current licensee must maintain right to possession of the premises at all times (3 AAC 306.015), the lease to Great Northern Retail Stores, Inc. should be worded

in a way that the effective date of such lease starts after the marijuana control board approves the transfer and the transfer is finalized.
  - As a side note, if there is a re-assignment of Great Northern Cannabis, Inc.'s lease to the transferee, the re-assignment of lease should become effective not earlier than when the marijuana control board approves the transfer and the transfer is finalized.

- **Food Establishment Permit Application**
  - The food establishment permit is under Great Northern Cannabis, Inc. for obvious reasons. But my question is, are you able to apply for the food establishment permit under Great Northern Retail Stores, Inc. now pending the transfer of the license? Or at least get your application in to DHHS, which is all we would need for the transfer application.

It is very important that you submit the above corrections and/or documents as soon as possible. AMCO staff needs adequate time to review the documents and determine if additional corrections and/or documents are necessary to complete your application. If you fail to complete this application within 90 days of the date of this notice, you must file a new application and pay a new fee, per 3 AAC 306.025(f). Additionally, there may be enforcement action against your marijuana establishment license.

Respectfully,
