Re: Retail Marijuana Store license #10866

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted. **All corrections/additions to any form(s) must be initialed by the proposed licensee.**

- **MJ-01 Operating Plan**
  - Page 1-both boxes; the statement "the business office is the only restricted access area…"sort of suggests that you do not quite understand what the restricted access areas should be for a retail store. Under 3 AAC 306.325 (c) an area of a retail marijuana store's licensed premises where marijuana or any marijuana product is stocked for sale or dispensed for sale is a restricted access area.
  - Page 3-first box; the business office should not be the only section with restricted access area(s) in a retail store (see paragraph above).
  - Page 5-first box; please expand upon your answer and describe how you will prevent diversion of marijuana by employee(s).
  - Page 15-both boxes; the answers to these boxes is inadequate. What if you ever had to transport marijuana off the premises. These answers do not meet the requirements of 3 AAC 306.750.
  - Page 16; please clarify what you mean by the sign "will be stood off the building….". Does this mean that sign will not be attached to the outside of the licensed premises?

- **MJ-02 Premises Diagram**

  - Please make very clear on the diagram(s) what the licensed premises of the retail store will be. Within the licensed premises make very clear what the restricted access area(s) will be. The restricted access area(s) for a retail store include the area(s) where marijuana or any marijuana products is stocked for sale or dispensed for sale.

  - SK-1 shows the retail sales inside the red line and FS-1 shows the retail on the outside of the red line. Then you state that business office is the only restricted access area. Very confusing.

  - Clearly show the layout of the retail store. Call our office if you have questions.

- **MJ-03 Retail Supplemental**

  - Page 4-first box; you did not address 3 AAC 306.345(a)(2) and (3). Please be descriptive do not just state that you will be in compliance with x, y, and z regulation.

- **Publisher's Affidavit**

  - The newspaper ad has some incorrect information (it cites the incorrect regulation for retail stores, the incorrect license number, wrong unit, etc.) Please run a one-time ad that has all the correct information. I will need a copy of the new ad and a publisher's affidavit.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Sara Chambers, Interim Director
