Re: Retail Marijuana Store License Application #10138

Dear Applicant,

AMCO staff has reviewed the online application and supplemental documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted.

- All Forms
  - Section 1 – Establishment Information lists the wrong licensee name, this section should match section 1 of the cover sheet
  - Please re-submit page 1 of each MJ form with the correct licensee name
- Entity Documents
  - Lorraine Daly is listed as an affiliate on the license application, but does not appear to have any ownership in the LLC, how is she associated to this entity/license application?
- MJ-01 Operating Plan
  - Page 16, box 1
    - You state that you will have a sign at the entrance to the parking area, will this sign be placed in the store's window or attached to the outside of the licensed premises in compliance with 3 AAC 306.360?
- MJ-02 Premises Diagram
  - The actual form MJ-02 was not submitted, just the diagrams
  - The diagrams submitted detail the cultivation facility, but not the retail store
  - Please submit a detailed diagram for the retail store that clearly indicates the interior layout, delineates the outer boundaries of the proposed licensed premises by outlining in another color, clearly shows the restricted access areas and marijuana storage areas

Please note per 3 AAC 306.025(f) you must make these corrections and submit these items to complete your application not later than 90 days after the date of this notice. If you fail to complete your application during the 90 day period after this notice, you will be required to file a new application and pay a new application filing fee to obtain a marijuana establishment license.

Sincerely,
Cynthia Franklin, Director
