Re: Standard Marijuana Cultivation Facility #10958

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted. **All corrections/additions to any form(s) must be initialed by the proposed licensee.**

- **MJ-02 Premises Diagram**
  - ~~On the diagram submitted: please very clearly outline what the licensed premises will be, and within that area very clearly outline the restricted access area(s).~~
  - ~~Please clearly show/label, on your diagram, what you are describing on MJ-04.~~

- **Proof of Possession for Proposed Premises**
  - Please provide the master lease agreement (was not provided with application)
    12/19/2016. Please provide a clearer commercial lease agreement (the one provided is to blurry)
  - Please provide a legally binding sub-lease (the sub-lease submitted with application is inadequate).
    12/19/2016. FYI: At this time whether a straight forward assignment is adequate cannot be determined until we receive a legible master lease

- **Entity Documents**
  - ~~Please provide Green Life Supply, LLC's Operating Agreement.~~

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Cynthia Franklin, Director
