Alaska Marijuana Control Board

Operating Plan Supplemental
Form MJ-03: Retail Marijuana Store

What is this form?

This operating plan supplemental form is required for all applicants seeking a retail marijuana store license and must accompany the **Marijuana Establishment Operating Plan (Form MJ-01)**, per 3 AAC 306.020(b)(11). Applicants should review **Chapter 306: Article 3** of the **Alaska Administrative Code.** This form will be used to document how an applicant intends to meet the requirements of those regulations. If your business has a formal operating plan, you may include a copy of that operating plan with your application, but all fields of this form must still be completed per 3 AAC 306.020 and 3 AAC 306.315(2).

What additional information is required for retail stores?

Applicants must identify how the proposed establishment will comply with applicable regulations regarding the following:

- Prohibitions
- On-site consumption
- Displays and sales
- Exit packaging and labeling
- Security

This form must be submitted to AMCO's main office before any retail marijuana store license application will be considered complete.

Section 2 – Prohibitions

Applicants should review 3 AAC 306.310 and be able to answer "Agree" to all items below.

The retail marijuana store will not:	Agree	Disagree
Sell, give, distribute, deliver, or offer to sell, give, distribute, or deliver marijuana or marijuana product in a quantity exceeding the limit set out in 3 AAC 306.355	☑	☐
Sell, give, distribute, deliver, or offer to sell, give, distribute, or deliver marijuana or marijuana product over the internet	☑	☐
Offer or deliver to a consumer, as a marketing promotion or for any other reason, free marijuana or marijuana product, including a sample	☑	☐
Offer or deliver to a consumer, as a marketing promotion or for any other reason, alcoholic beverages, free or for compensation	☑	☐
Allow a person to consume marijuana or a marijuana product on the licensed premises, except as provided in 3 AAC 306.305(a)(4)	☑	☐

Describe how you will ensure that the retail marijuana store will not sell, give, distribute, or deliver marijuana or marijuana product to a person who is under the influence of an alcoholic beverage, inhalant, or controlled substance:

All staff, agents and owners will have Marijuana Handler Permits and will use this training to recognize the signs and behaviors typical of intoxicated persons, whether by reason of alcohol, marijuana or other intoxicants. The Handler who inspects and verifies ID at the entry point into the Restricted Access Area will be initially charged with forming a judgment on possible intoxication based on close observation and the manner in which ID is presented and the log-in executed and other behaviors and actions. It there is any doubt about intoxication the Handler will engage the visitor in polite conversation to elicit interactions which will assist in making the judgment. Where the issue is open to substantial doubt the Handler will ask another Handler for assistance in making the judgment. If there remains substantial doubt after this consultation, the visitor will be denied access, with a polite explanation, with reference to the regulatory rules of operatiion.

Section 3 – On-site Consumption

	Yes	No
Do you plan to request approval of the board with your initial application to permit consumption of marijuana or marijuana product in a designated area on the proposed premises?	☐	☑

If "Yes", describe how you ensure that only marijuana or marijuana products that were purchased at your proposed premises are being consumed, per 3 AAC 306.305(a)(4):

N/A

Section 4 – Displays and Sales

Describe how marijuana and marijuana products at the retail marijuana store will be displayed and sold:

All product containing marijuana will be listed on a menu, updated as needed to reflect inventory, which will describe the product and including strain or other name and test lab analysis content and characteristics. Products will be displayed under glass (cabinets or counters) or behind glass (wall shelves) or in a location visible but accessible only to staff. Back-up inventory will be kept in a signed "staff only" area or room.

Section 5 – Exit Packaging and Labeling

Review the requirements under 3 AAC 306.345, and identify how the proposed establishment will meet the listed requirements.

Describe how the retail marijuana store will ensure that marijuana and marijuana products sold on its licensed premises will meet the packaging and labeling requirements set forth in 3 AAC 306.345(a):

Packaged material weighing no more than an ounce will have been labelled by the cultivator prior to transit to the store (per 306.470). Such packaging will have been examined at the time of delivery to ensure compliance with 306.470 and 306.475, dealing with protection from contamination, age-appropriate images, untampered secure tracking and delivery, required warnings, and test results regarding soil amendments and additives. The label must also identify the test facility, the grower and its license number, the results of all testing, the net weight of the package, the harvest batch number.

Marijuana which is shipped to a retailer by a grow unpackaged must conform to 306.475 regarding maximum weight, and bear labeling confirming testing of the batch from which the marijuana came, and detailing the results of those tests and other similar tests of the same harvest batch, per 306.475(e).

Provide a sample label that the retail marijuana store will use to meet the labeling requirements under 3 AAC 306.645(b):

Form MJ-03: Retail Marijuana Store

Section 6 – Security

Identification Requirement to Prevent Sale to Person Under 21 (3 AAC 306.350):

Describe the retail marijuana store's procedures for ensuring a form of valid photographic identification has been produced before selling marijuana or marijuana product to a person, per 3 AAC 306.350(a):

All customers will be held in the "man-trap" area (outside the Restricted Access Areas) until valid ID has been presented and approved.

The procedures for validating ID of customers will follow those set out in the Marijuana Handlers Permit certification course. Only certified employees/owners will be verifying ID for customer entry; only those ID types which are specified by 306.350 will be accepted (after verification of date-current validity).

A log book will be maintained by the Handler dealing with admission, which will contain the name of the customer, as well as the date and time of entry, and the initials of the Handler.
