Re: Limited Marijuana Cultivation License Application #10814

Dear Applicant,

AMCO staff has reviewed the online application and supplemental documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted.

- MJ-04 Cultivation Supplemental Operating Plan
  - Page 2, box
    - The description of the cultivation area does not appear to match the premises diagram submitted
    - I only see two areas under cultivation on the diagram, but your description says there will be three, also the dimensions and total square feet under cultivation don't appear to match the diagram

Please note per 3 AAC 306.025(f) you must make these corrections and submit these items to complete your application not later than 90 days after the date of this notice. If you fail to complete your application during the 90 day period after this notice, you will be required to file a new application and pay a new application filing fee to obtain a marijuana establishment license.

Sincerely,
Cynthia Franklin, Director
