Re: Standard Marijuana Cultivation Facility #11635

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted. **Please only submit the pages that need to be corrected, if the corrections relate only to certain block(s) of the page to be corrected still submit the entire page with all the boxes answered, I replace the entire page.**

- **MJ-01 Operating Plan**
  - Page 7, first box references supplemental page 7A submitted under a separate cover sheet, but I did not see this attachment.
  - Page 12, first box: what solid waste are you talking about when you say "…other than marijuana…stems, roots, and other unusable parts will be disposed of by normal municipal solid waste connection. In other words, I do not see where you are describing how you will store, manage, and dispose of solid marijuana waste. Am I reading this incorrectly?
  - Page 15, first box: to avoid any confusion, please remove the word "product" after marijuana. Cultivation facilities are not allowed to manufacture marijuana products. They should not have marijuana products.
  - Page 15, second box: please expand upon your answer and describe your locked container box.

- **MJ-02 Premises Diagram**
  - On the diagram you submitted. Please show the following:
    - Camera placements
    - Surveillance room
    - Is the entire cultivation facility restricted access area?

- **MJ-07 Public Notice Posting Affidavit**

- Please submit a completely filled out MJ-07 including the notary. The corrected MJ-07 you submitted on March 16, 2017 was not completely filled out nor was it signed in front of a notary.

- **MJ-08 Local Government Notice Affidavit**
  - Please submit a completely filled out MJ-08 including the notary. The corrected MJ-08 you submitted on March 16, 2017 was not completely filled out nor was it signed in front of a notary.
- **MJ-09 Statement of Financial Interest**
  - Page 1-section 1 of all MJ-09s: the context of "Licensee" in this section is all the names involved in the partnership. Page 1 of MJ-09s were submitted on March 16, 2017, but this section was still incorrect.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Jane Sawyer, Occupational Licensing Examiner
