Re: Standard Marijuana Cultivation Facility License Application #11424

Dear Applicant,

AMCO staff has reviewed the online application and supplemental documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted.

Your answers in your operating plan and supplemental operating plan should demonstrate your knowledge and understanding of the marijuana regulations.

- MJ-00 Application Certifications
  - Gary Lane – page 1, sections 1 & 3
    - These sections are incomplete
- MJ-02 Premises Diagram
  - You must clearly label any marijuana storage areas
  - Clearly identify the surveillance room or area
  - Please clearly delineate the outer boundaries of the proposed licensed premises by outlining in another color
    - When an AMCO investigator is looking at your diagram, it should be very clear what areas will be the "licensed premises" as defined in 3 AAC 306.990(23) and what areas will not be licensed premises. If it is your entire building, please make that clear on your diagram.
  - You must clearly delineate the restricted access areas
- MJ-04 Cultivation Supplemental Operating Plan
  - Page 5, bottom box
    - Your answer is inadequate, please refer to 3 AAC 306.455 and 306.465 and describe how you will comply with the testing procedures and protocols
- MJ-09 Statement of Financial Interest
  - Gary Lane – page 1, section1
    - This section is incomplete

- Proof of Possession of Proposed Premises
    - Per our phone conversation today, 2/27/17, please submit an amended lease with the same premises address as you used when you initiated your marijuana establishment license application

Please note per 3 AAC 306.025(f) you must make these corrections and submit these items to complete your application not later than 90 days after the date of this notice. If you fail to complete your application during the 90 day period after this notice, you will be required to file a new application and pay a new application filing fee to obtain a marijuana establishment license.

Sincerely,

Christina Thibodeaux
