Phillip,

I reviewed the corrections submitted. Couple of things:

- Did you submit the change of officials paperwork to the appropriate state agency (Division of Corporations)?.
- Page 15, first box of MJ-01: your corrected page did not include your "pre-roll amendment". Are you removing this all together? If not, then please submit a corrected page that also includes your pre-roll amendment.

As a reminder, I am still waiting on the following:

- **MJ-02 Premises Diagram**
  - Your pages of diagrams are a little confusing. Please provide a diagram that clearly shows the following (use colors):
    - Licensed premises
    - Within the licensed premises show:
      - Restricted access areas as defined in our regulations
      - Surveillance Room
      - Camera Placements
      - Entrance(s)
      - Exit(s)

- **MJ-04 Cultivation Supplemental**
  - Page 3-second box: please list the name of the nutrients in this box. Attachments are acceptable but not in lieu of answering the question.

Proof of Possession of Proposed Premises

- Please provide a legally binding lease where Prestige Worldwide Management, LLC is the tenant of the proposed licensed premises. The lease to Prestige Worldwide Management, LLC must include:
  - An acknowledgement from the landlord that the premises are to be used for a marijuana establishment.
  - An acknowledgement that the landlord will not take possession or remove marijuana from the premises and AMCO enforcement will be contacted.

Entity Documents

Please provide Prestige Worldwide Management, LLC's operating agreement

If you have any questions please call me.

The deadline to receive all, complete and accurate, corrections to be on the agenda for the April meeting is COB tomorrow.

Thank you
