Re: Standard Marijuana Cultivation Facility #11649

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted. Please only submit the pages that need to be corrected, if the corrections relate only to certain block(s) of the page to be corrected, still submit the entire page with all the boxes answered; I replace the entire page.

- **MJ-01 Operating Plan**
  - Please re-read the regulations. Your answers must clearly reflect your understanding of the regulations in general and specifically to the type of license you are applying for. Few examples:
    - Page 2-second box: you do not talk about the visitor's badge that is required under 3 AAC 306.710
    - Page 12-first box: your answer needs to include your understanding of the 3-day notice to our office before rendering the marijuana waste unusable, and how you will dispose of it.
    - Page 12-second box: re-read 3 AAC 306.740
    - Page 15-entire page: re-read 3 AAC 306.750
    - Page 16-first box: this box just needs clarification. 3foot by 2foot? And is the sign going to be attached to the building? Sings must be attached to the proposed premises.

- **MJ-02 Premises Diagram**
  - Please provide an aerial view of the premises clearly showing the proposed premises and surrounding buildings.
  - Please clearly show what the licensed premises is going to be. Within the licensed premises you must clearly show the restricted access areas as per the regulations. Used color marker or the like to distinguish between licensed and restricted access areas.
  - What is the "walk way" between the Veg Room and the Flower Rooms.

- **MJ-04 Cultivation Supplemental**

    - If you can articulate your answers more on each box of MJ-04 it will very helpful for the board to see that you understand the regulations. A couple of questions might be repetitive in the sense that you might have answered them on MJ-01, but still need to be answered showing your understanding of the regulations.
    - Page 5: this page definitely needs more work please re-read 3 AAC 306.455 & 3 AAC 306.465.

- **MJ-18 Applicant Residency Verification**

    - I was unable to verify your residency through the Permanent Fund Dividend's database. Please fill out the attached MJ-18 and send it back with any supporting documents. This application and its supporting documents will be forwarded straight to our enforcement section.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Jane Sawyer, Occupational Licensing Examiner, for
