William,

This is Jane. Your lease to the premises is specific to Suite A, I have updated the system to reflect the suite number. What this means is that you will need to do the following:

One-time newspaper ad that includes the suite A.
Re-notify the local government with an updated Public Notice and submit a new MJ-08.
Re-post the updated Public Notice at the proposed premises and another conspicuous location for five (5) days and submit a new MJ-07.
Page one of every MJ form/application needs to show suite A on the premises address.

For your convenience I attached the updated advertising template and the updated public notice.

Additionally, your business license is expired please renew it

If you want your application to be in the February meeting please submit all your corrections 100% accurate and complete by COB 1/23/17.

Thank you
Jane
