Good Morning Aaron,

On page 16 of MJ-01 can you please include the quantity and dimensions of any signs you intend to post with your business name as well as where you will post them. Please keep in mind that per 3 AAC 306.360(a) your signs may be placed in the retail store's window or attached to the outside of the building. This is something both the board and enforcement have been looking at closely.

All other items have been marked complete.

Thank you!
