I object to the application for Marijuana License #12002, Van Geer, LLC @ 7411 W Dean Drive Wasilla. There are restrictions in this subdivision, it says right on the plat Residential Only, Scott Lake Sub Add 1 Plat 76.59. No commercial in this sub. I am concerned that this would reflect on my property value and any sales. I am going to contact all the neighbors. There was already a double murder on Coal Road right behind here that was due to drugs. In Meadow Lakes we have a high crime rate. Three houses on this street have been broken into in the last 5 years. We do not need to invite more potential for crime in this area.

1. Plat 76-59 Residential only

2. Property Values and Sales

3. CRIME

I surely hope you will take this into consideration.

Sincerely,

Sherry Dianne Cornelison
