Subject: Happy Cannabis license #10200 (retail) more corrections needed

Hi, Kelsey;

I have reviewed the corrections for this application, more items needed:

- Please submit the first page of MJ-00 corrected as requested on the original incomplete letter to with Sarinee's MJ-00.
- MJ-01, on page 15 your corrections states that you will not be shipping cannabis. Are you saying that you will not be transporting marijuana or marijuana products whatsoever to another retail marijuana store? What if you ever had to transport marijuana or marijuana products from your retail marijuana store to another retail marijuana store?
- MJ-01 page 16. You did not describe where your logo/business name sign was going to be, but FYI logos/signs with the business name must be attached to the outside of the licensed premises only (no road signs or things like that).
- MJ-07, if you are submitting a brand new MJ-07 rather than correcting the existing one, then you will need to notarize the new one.
- MJ-08, if you are submitting a brand new MJ-07 rather than correcting the existing one, then you will need to notarize the new one.
- MJ-09, I need a corrected first page of MJ-09 as requested on original incomplete letter to go with Kelsey's MJ-09.

Please have these corrections submitted as soon as possible. Application must be deemed complete by 3/17/17 in order to be considered for the April agenda.

Thank you
Jane
