Re: Retail Marijuana Store #10646

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted.

- **MJ-01 Operating Plan**
  - Page 5-first box: you mention "grown" and "manufactured", this application is for a retail store not cultivation or product manufacturing, remove these words. Additionally, please describe how you will prevent diversion by employees.
  - Page 12-both boxes: our regulations, currently, do not allow for a retail store to transport marijuana to a cultivation facility so you cannot transport your marijuana or marijuana product waste from the retail to the cultivation to go through the process of rendering unusable. Please provide a plan that complies with the regulations currently. You may need to amend other pages related to this issue**. Please look over your entire MJ-01 for the retail and correct as necessary for re-review regarding this matter.**
  - Page 13-amend this page as necessary to comply with the regulation as stated for Page 12.
  - Page 15: please incorporate in your answer that you understand that retail marijuana stores can only transport marijuana or marijuana products to another retail marijuana store.
  - Page 16: is the sign attached to the proposed licensed premises? Signs with the business name and/or logos of the marijuana establishment must be attached to the proposed licensed premises.

- **MJ-02 Premises Diagram**
  - Please provide sort of an aerial view of the premises clearly showing the proposed premises and surrounding buildings.
  - Please very clearly show the following on the diagram you submitted (it's a nice diagram, it just needs a little work).
    - Camera placements

- Licensed premises. Within the licensed premises, clearly show the restricted access areas as required by the regulations (3 AAC 306.325; 3 AAC 306.710).
- Surveillance room.
- Entrances
- Exits

- **MJ-03 Retail Supplemental**

  - Page 4-first box: please re-visit 3 AAC 306.345(a). Your current answer does not address all the point under said regulation.

- **Proof of Possession for Proposed Premises**

  - Section 20-Distress: please have the landlord incorporate and initial a statement that he/she/they will not take possession of marijuana and that AMCO enforcement will be contacted.
  - Section 23-Additional Rights on Reentry: please have the landlord incorporate and initial a statement that he/she/they will not take possession of marijuana and that AMCO enforcement will be contacted.

- **Entity Documents**

  - Please provide Ferguson and Smith Enterprises, Inc.'s by-laws.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Jane Sawyer, Occupational Licensing Examiner, for
