Adam,

I reviewed the corrections. Few more things:

- On the corrected page 12 of MJ-01-first box, you typed the word "usable" instead of "unusable".
- What kind of storage is the storage section?

- So, on page 15-second box, you are now saying you won't be transporting marijuana, which is fine, but just know that you will need to submit a change of operating plan if you ever had to. Call me if you need clarification, maybe I confused you.
- I just noticed that the sample label on MJ-03 has the word "Intoxication" instead of "Intoxicating", as the regulations state, on the first warning statement. Please correct that.

Thank you, Adam. The deadline for the April meeting is March 17, 2017.

Thank you
