Re: Retail Marijuana Store license #12325

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.**

- **MJ-01 Operating Plan**
  - Page 11-the box: just want to clarify that the marijuana handler's card is obtained from the AMCO's office upon the applicant submitting all the required documents including course certificate to our office.
  - Pages 12 &13: just want to clarify that the 3-day notice to AMCO is to be given **before** the marijuana waste is rendered unusable and disposed of.
  - Page 16: the pylon sign is not allowed. Signs and/or logos of your business must be attached to the proposed licensed premises. Please amend this section accordingly.

- **MJ-02 Premises Diagram**
  - On the diagram you submitted, please clearly show the following:
    - Licensed premises (I see restricted access area)
    - Camera Placements

- **MJ-03 Retail Supplemental**
  - I have a question about *"…within an employee-only area and the customer in a restricted access are…"* section. Please call me.
  - Page 5: this page is too blurry to read. Please re-submit it (make sure it is signed and notarized).

- **Proof of Possession of Proposed Premises**
  - To avoid any confusion please have the landlord remove the unit number.
  - 35. Default section-please have the landlord incorporate in the lease, and initial, the following:
    - The landlord may not take possession of or remove marijuana or marijuana products from the premises, and AMCO enforcement will be contacted.

- **Entity Documents**
  - Please provide Good, LLC's operating agreement.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Jane Sawyer, Occupational Licensing Examiner
