Re: Standard Marijuana Cultivation Facility License #10034

Dear applicant,

AMCO has reviewed the documents submitted for the transfer of ownership for the license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-17c License Transfer Application**
  - Based on your MJ-17c, operating plan, publisher's affidavit, and other items within your application, it seems as though your intent is to have Odin's Wagon, LLC as your Doing Business As (DBA). If so, then you must obtain a new State Business License with the business name as Odin's Wagon, LLC under the owner of Ace of Spades, LLC.
    - Then, you would need to correct Section 2 of the MJ-17c by correcting the DBA to say, Odin's Wagon, LLC. And, correct the Business License # to the new business license number.
    - Additionally, you would then need to re-notify the local government and repost the application. The specifics will be outlined below under MJ-07 Public Notice Posting Affidavit and MJ-08 Local Government Notice Affidavit.
  - If your intent is to have your DBA be Ace of Spades, LLC, then you would need to re-advertise for the entire 3 weeks and correct most of the forms in which the DBA says Odin's Wagon, LLC; as well as the operating plan, the premises diagram, and any other form that refers to Odin's Wagon, LLC.
  - Because it seems that your intension is to have Odin's Wagon, LLC as the DBA, I am going to base this incomplete letter on that assumption. If I am mistaken, then please let me know so that I may update this incomplete letter, if needed.

- **MJ-02 Premises Diagram**
  - On Diagrams 1 & 2 (Main Floor and Upper Floor), the colors representing the restricted access area and the doors are too similar. Also, it is difficult to see the restricted access area outline. Please correct accordingly.

        - Additionally, please outline/shade the entire perimeter/area of the proposed licensed premises AND restricted access area (use separate colors and labels, and provide a legend/key). **OR**, if applicable, you may use one color and label it Restricted Access Area and Licensed Premises.
            - Note- the bathroom(s) can be a part of the licensed premises, but it should not be a part of the restricted access area because restricted access areas need cameras, and bathrooms should not have cameras.
    - On Diagram 3, the licensed premises is supposed to represent the actual building in which the cultivation will take place. It appears that the red line represents the property. Please correct accordingly.
    - On Diagrams 4 and 4 Supplemental, the licensed premises is supposed to represent the actual building in which the cultivation will take place. It appears that the yellow line represents the property. Please correct accordingly.

- **MJ-04 Cultivation Supplemental**
    - Page 2, Section 4.1: according to my calculations for the Veg & Clone Room 2A, 6x26 should equal- 156 sq. ft. And, the total square footage under cultivation should equal- 3,464 sq. ft. Please correct accordingly.

- **MJ-07 Public Notice Posting Affidavit**
    - After obtaining the new business license and correcting the MJ-17c, please repost the application at both, the location of the proposed premises and another conspicuous location for ten days, and then submit a new MJ-07 completed and signed in front of a notary.

- **MJ-08 Local Government Notice Affidavit**
    - After obtaining the new business license and correcting the MJ-17c, please re-notify the Kenai Peninsula Borough by submitting to them the application, and then submit a new MJ-08 completed and signed in front of a notary.

- **Entity Documents**
    - Please submit the new state business license for Odin's Wagon, LLC owned by Ace of Spades, LLC.

- **Proof of Possession for Proposed Premises**
    - Because the Transfer has not been effectuated, and essentially, the current owners should still have legal right of possession to the premises, please correct the effective date and the beginning term date on the lease.
    - Also, please incorporate the entire physical address in the lease to include the, city, state, and zip code.
    - Additionally, please include the following:
        - An acknowledgment from the landlord/lessor that the premises will be used as a marijuana establishment, and
        - A disclaimer that the landlord/lessor may not take possession of or remove marijuana from the premises, and that AMCO will be contacted in the event that this is necessary.

- **Misc.**
  - The current state business license (Business License #1030908) under the current owners, Odin's Wagon, LLC has expired. Please have the current owners renew their state business license.

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.

Respectfully,

Jacqlene Drulis, Occupational Licensing Examiner
