I am Constance Twigg. I live in down town Talkeetna. I have been here since 1962 and been in Talkeetna in the 60's and lived in 1975, I am compassion about our place and have enjoyed it for alot of years. I do not feel our little main St needs a Pot Store, it does not go along with the Town. This Town is a Historic place. I did not know about someone planning this Pot Store. I did not see any notice any where or the Voteing. We also have a Park close, where people camps cook & eat, and go to the river just the place for a young 27 year old to make money! we have 1,000's of people who come in summer from all over the world. We have 8 drinking places and drugs that flow threw this town, do we need more with another Drug on main ST? No. I have checked on Colorado and all the increase of poson centers, traffic deaths, 100% calls to the poson center. It sure hasn't helped them. There is so much to be said about this. You people made the mistake so I feel you need to help us.

Thank you—
