RE: **...** 10901 1040691 THE **HIGH EXPEDITION**COMPANY Retail Marijuana Store Complete Public Notice 62.323 -150.119 13465 E Main St. Talkeetna **...**

Retail Marijuana Store is:
Too close to 60 year old public park/campground and public restrooms: 60 Ft Aprox
Too close to Federal Ranger Station: 120 Ft aprox
Too close to Catholic Church:
Too close to Salmon Center:
Too close to Historic Downtown Talkeetna: all within 500 ft.
ALL these facilities have children and tours involved.
Does not "fit" within SPUD and Community plan.

Retail Marijuana Store was "illegally grandfathered in" against state law to be licensed by Mat Su Assembly and is against Mat Su Boroughs own planning commission codes and ordinances.
If you need those laws, codes, and ordinances specifically, please let me know.
