I have a comment/objection for the business with the license number 1041064 and the name Chena Cannabis. The affiliate #3 Brandon Gilbert owes me $3,000 in back child support and is currently not paying. His mother Sherry Gilbert is the owner of the business. I am concerned about this situation and the ability to receive the support for my son. I apologize if this is past the 30 days of their application, I can not see the date it was applied for.
