Re: Retail Marijuana Store license #11031

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted. **All corrections/additions to any form(s) must be initialed by the proposed licensee.**

- **MJ-01 Operating Plan**
  - In reading entire page 2 of MJ-01 it appears that you may be a little confused about what should be and what does not have to be restricted access area(s) for the purpose of 3 AAC 306.710. For example, regular customers should not be in a restricted access area to conduct a transaction, however, marijuana and/or marijuana products stocked for sale or dispensed for sale is a restricted access area. Call our office and speak with the examiner who reviewed your application.
  - Page 3: please provide a sample of the badge to be displayed by each licensee, employee, or agent while on the premises (you submitted a visitor's badge).
  - Page 12 and 13: incineration of marijuana or marijuana product as a method of disposal/rendering unusable is not allowed. Please remove that part from these two pages.
  - Page 16: signs for a retail marijuana store are only allowed on the store's window or attached to the outside of the licensed premises. The sign out in the parking area is not allowed.
- **MJ-02 Premises Diagram**
  - Call our office and speak with the examiner working on your application about your diagrams.

- **MJ-03 Retail Supplemental**
  - Page 4: Your sample label must include the total estimated amount of THC in the labeled product.

- **MJ-08 Local Government Notice Affidavit**
  - The license type on this affidavit says limited marijuana cultivation facility. This application is for a retail marijuana store. Additionally, the date you notified the local government and the community council, according to this affidavit, is 9/6/2016 but you initiated this specific application on 9/12/16. Please notify the local government and the community council with the public notice of the retail marijuana store and provide a new MJ-08.

- **Proof of Possession for Proposed Premises**
  - On page 4 of the lease under "Defaults", please have the landlord incorporate a statement that landlord will not remove marijuana or marijuana products and that State of Alaska AMCO will be contacted.

- **Entity Documents**
  - Please provide Kerby's Corporation's bylaws.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Sara Chambers, Interim Director
