Well seeing as how the lobby area has its own lease and is its own entity with a separate business license that does not also hold a marijuana license. Therefore it not being a marijuana establishments it would not fall under the same regulations under 17.38
There is a multitude of reasoning for setting up my entities this way.

Please clarify.

Hello and good morning. attached are updated premises diagrams to replace the 3 pages that have the same title currently in our application.

Thank You

Respectfully,
