Re: Retail Marijuana Store #11140

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted.

- **MJ-01 Operating Plan**
  - Page 12-second box: please provide an answer specific to the retail store. .
  - Page 13: please provide an answer specific to the retail store.
  - Page 15-first box: please provide an answer specific to the retail store. For example, our regulations only allow for a retail store to transport to another retail store and no other marijuana establishments.
  - Please clearly show your understanding of the regulations in general and specifically for the license type you are applying for.

- **MJ-02 Premises Diagram**
  - On the aerial view diagram please show where the retail store will be within the building.
  - Make a very clear delineation of what the retail store licensed premises will be. Within the licensed premises you need to clearly show the restricted access area(s) as required by the regulations.
  - Where is the reception area you reference on MJ-03?. This needs to be very clear on the diagram.
  - Provide a clear layout within the retail store, again showing the restricted access area(s) required by the regulations.
  - What is the lounge for?

- **Proof of Possession for Proposed Premises**
  - Section VI. Common areas: just want to verify, is this a multiple-tenant property/premises?
  - Section XX. Default: please have the landlord incorporate a statement, and initial, that the landlord will not remove or take possession of marijuana and will notify AMCO Enforcement.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Jane Sawyer, Business Registration Examiner for
