Subject: Application for Marijuana at E Knik River Road

Good morning,

I am a mother of twin three years old and my address is 27966 E Knik River Rd Palmer Alaska.

Here's the two Comprehensive Plan in our community:

- **Protect air, water, wildlife, and land quality while reducing impacts to nearby properties from traffic, noise, pollution, lighting, etc.**

- **Protect recreation opportunities and enhance the quality of life for South Knik River Community residents.**

My family and I object the licensing of marijuana near E Knik River Rd. Giving them license to operate doesn't align to the above comprehensive plan and doesn't align to the values that my family believes in. My family plans to live here for life. I wanted to create a great life for my children. Having the marijuana around the area is not good for me as a working mom who work in Anchorage..Worrisome will always with me...I'll be thinking of strange people coming in and going with our road. This will not give me peace.

There is already a stereotype that Butte Area is a meth village, adding marijuana will add more stereotyping that all people who lives in this are all druggies. I already struggled and surpassed that connotation when we moved here five years ago.

We highly recommends that the two applications for Marijuana be denied.

Thank you.

Respectfully,

Winnie Cichosz
