Re: Marijuana Product Manufacturing Facility #10856

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted. Please only submit the pages that need to be corrected, if the corrections relate only to certain block(s) of the page to be corrected, still submit the entire page with all the boxes answered, I replace the entire page.

- **MJ-01 Operating Plan**
  - Please submit page 13 of MJ-01, it was not submitted.
- **MJ-05 Product Manufacturing Supplemental**
  - Most of MJ-05 was illegible. I was able to read it enough to identify corrections that need to be made, but please resubmit a better copy.
  - The correction that needs to be made is:
    - Canna Moose Turds
      - I don't see where the net weight of the product in the package is going to be indicated.
- **Proof of Possession for Proposed Premises**
  - You have two leases for the same property with the same commencement dates, different tenants. Which one supersedes which one? Is the one for Raspberry Roots, LLC supposed to be a sublease rather than just a lease? If so this needs to be clearly indicated on the documentation.
  - The "master lease" requires a written consent from the landlord for the tenant to be able to sublet the premises. I did not see that in the document.
- **Business License**
  - Please renew your business license

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Jane Sawyer, Occupational Licensing Examiner, for
