Adam,

I reviewed the corrections submitted for this application. Still waiting on:

- Please clearly show what the licensed premises is going to be. **Within** the licensed premises, clearly show the restricted access area(s).
- Clearly show your camera placements and surveillance room.
- What is the blue "no second floor"?

Your MJ-04 page 5 did not reflect the corrections asked on incomplete letter:

- Page 5: remove/replace the word "product". Additionally, please re-read regulations 306.455 and 306.465 and expand upon your answer a little more about the topic.

The lease did not have the following correction:

- Please make corrections throughout the lease to only show unit #1 as discussed over the phone.

Thanks, Adam. I need complete and accurate corrections no later than 3/17/17.

Thank you
