Re: Standard Marijuana Cultivation Facility # 10107

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted. Please, only submit complete pages that need correction(s). For example, if a page only needs one box corrected, you must also include the answer to the other parts of the page as I replace the entire page for the new one.

- **MJ-01 Operating Plan**
    - Page 5-first box: please remove the term marijuana product. This is a marijuana cultivation application and a cultivation facility is not allowed to manufacture marijuana products. Also, remove the term manufactured. Additionally, please expand upon your answer and explain how you will prevent diversion by employees.
    - Page 12-first box: expand upon your answer and describe how you will store the marijuana waste during the three-day notice period that must be given to the board **before** rendering the marijuana waste unusable. Also, please make it clear at what point you intend to use the "Red Wiggler". Is it your method of disposing of the already unusable marijuana waste?
    - Page 12-second box: remove the word "product".
    - Page 13: please make it clear at what point you intend to use the "Red Wiggler".
    - Page 15-first box: please remove the word "product". This is a marijuana cultivation application and a cultivation facility is not allowed to manufacture marijuana products. Additionally, please re-read 306.470 and 306.750 and expand upon your answer a little more about the topic.

- **MJ-02 Premises Diagram**
    - Please provide an aerial view of the premises clearly showing the proposed premises and surrounding buildings.
    - Please clearly show what the licensed premises is going to be. **Within** the licensed premises, clearly show the restricted access area(s).
    - Clearly show your camera placements and surveillance room.

- What is the blue "no second floor"?

- **MJ-04 Cultivation Supplemental**

  - Page 4-first box: please describe the marijuana cultivation facility's solid waste disposal arrangements.
  - Page 5: remove/replace the word "product". Additionally, please re-read regulations 306.455 and 306.465 and expand upon your answer a little more about the topic.

- **Proof of Possession for Proposed Premises**

  - Please make corrections throughout the lease to only show unit #1 as discussed over the phone.
  - Section 21-Distress: please have the landlord incorporate and initial a statement that he/she/they will not take possession of marijuana and that AMCO enforcement will be contacted.
  - Section 24 (d)-Additional Rights on Reentry: please have the landlord incorporate and initial a statement that he/she/they will not take possession of marijuana and that AMCO enforcement will be contacted.

- **Entity Documents**

  - Please provide the by-laws of Ferguson and Smith Enterprises, Inc.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.
