Sanford,

I reviewed the corrections submitted in response to the email (second request for corrections) which you can see in this chain emailed on 1/27/17.

You still need to submit The Green Pearl, LLC's operating agreement, and the first box on page 4 of MJ-04 is still inadequate. The answer provided talks about trash, the questions is asking to describe the marijuana cultivation facility's waste disposal arrangements for marijuana waste, not regular trash.

Please re-read the regulations and resubmit this page. Again, you only need to correct the first box, but you need to answer both boxes because I am replacing the entire page when I receive an adequate response to the first box.

Please have these corrections/documents in as soon as possible. You will not be receiving reminder emails. Complete and accurate applications must be deemed complete by 3/17/17 in order to be considered for the April MCB agenda.

Thank you
Jane

Thank you
We'd really like to get on the next agenda. Please let me know if there is anything else so we can jump on it.
Thanks again

Hello, Sandford;

Your application is only in the review process.

I need to receive the corrections and make sure they are complete and accurate corrections. Then, the application gets deemed complete and put on the agenda for the next board meeting.

At the board meeting is when the board considers it for approval, denial, etc.

Our next board meeting is April, the deadline for you to submit complete and accurate corrections for the application to be considered for the agenda for the April meeting I think is going to be March 5th.

I hope this clarifies a little bit for you.

Thank you

Jane
I've completed the paperwork you requested and obtained a lease agreement.
I sent them to my partner to sign and relay to you. I also sent out the remainder of the fire marshal requested documents. I would like to ask you what kind of time frame are we looking at assuming everything is in order. With all the preparations to be made it would help us greatly if we had an idea of when we could be approved.
Thank you

Hi,

I will save this business plan in your file, I don't need a hard copy.

However, a business plan may not be submitted in lieu of filling out the MJ applications with adequate answers.

Thank you

I did have a business plan and have attached it.
It should have come with the other paper work but I must have over looked it.
Do I need to send a hard copy with a cover sheet?

Thanks
Sanford

Good morning;

I received and reviewed your corrections. The good news is that our investigator was able to confirm your Alaska residency. However, there are more corrections/documents that need to be submitted:

- You did not submit a corrected page 13 of MJ-01 as requested on the original letter. Please make sure you read the regulations, simply stating that you will comply with x, y, and z regulations is an inadequate answer.

- The corrections to pages 4 and 5 of MJ-04 that were requested on the original letter are still inadequate. You really, really need to read the regulations and provide answers that clearly reflect your understanding of the regulations pertaining to the questions being asked. Simply stating that you will comply with regulations is inadequate. **Also, please do not send new pages that contain empty boxes, we replace the pages with the new ones altogether.**

- On the proof of possession to the premises I totally missed to tell you that what we need is a lease to The Green Pear, LLC because this is the entity applying for the marijuana establishment license. You own the property, so we need a lease from you the owner or owner(s), to The Green Pearl, LLC. Please provide a legally binding lease, not just a two sentence lease. The lease must include acknowledgement from landlord that the premises is for a marijuana establishment. Remember, the lease is to The Green Pearl, LLC which is the entity applying for the license. Consult an attorney if you need help on writing the lease.

- The operating agreement for The Green Pearl, LLC is inadequate. Consult an attorney if you need help on writing one.

Please call me if you have questions.

Thank you
