To: AMCO

From: Sanford Bowles/Green Pearl LLC

Date: 1-11-17

I have provided all the information requested, please contact me if more info is required and I will respond hastily. We are looking forward to working with you. Please feel free to contact us anytime we are preparing our property for business. The local fire department was at our facility and performed a walk through and was satisfied. The state fire marshal should have everything they require but I am prepared to provide more if they request.

Thank you

Sanford Bowles
