Re: NOV AlaskaSense, LLC License No: 10237

Dear MCB and Enforcement Team:

This response is for the NOV dated November 29, 2023, in regard to delinquent marijuana excise tax liability.

AlaskaSense, LLC's taxes were paid in full on December 9, 2023, and has provided verification of the zero balance. This was an unfortunate timing issue which Ms. Warden remedied immediately. AlaskaSense, LLC's tax obligations are current, and the company is in good standing with the Dept. of Revenue per the attached Exhibit A.

Please feel free to contact me if you have any questions or concerns regarding this response.

Truly and Sincerely Yours,

A handwritten signature in black ink, appearing to read "J. Weltzin", with a long horizontal flourish extending to the right.

Hello,

I'm not sure how to respond to this email. We do not contest the cultivation taxes. We have been told we are not eligible for a payment plan. We are trying to get caught up and pay off the balance. This case is currently before Administrative Law Judge Eric M. Salinger. I thought everything is before him now.

Thank you,

Re: Notice Of Violation – Taxes owed

I am writing regarding the Notice of Violation that Taku Horticulture received on January 3rd via email.

I would like to explain why these taxes are owed and our plan to correct the balance. On November 4, 2022 we received an email from Savannah Ritter requesting an audit from November 2020 thru July 2022. To our surprise almost a year later on October 24, 2023 we received a letter with an audit assessment packet showing that we had back taxes due in the amount of \$26,075.05. This not only included items that were not entered on initial reports but also showed interest, and penalties. This was shown as due immediately.

After researching we realized that we had been filing our taxes with the wrong metric report. When things were being hubbed, they were not showing up on the report we were using to file taxes. This has since been fixed and will no longer be an issue.

We do appreciate that instead of yearly audits now, there is someone checking reports monthly, we really appreciate this. John has been a tremendous help with any questions that might arise on these reports.

As far as getting the payment made for the late taxes, and the interest/penalties that were incurred, we have asked to set up a payment plan but was told no. We are trying to get this debt settled asap, but with it being slow winter months we are finding it hard to pay in full. Is there a way to please set up a payment plan to get this amount taken care of? What are some options that we can have, as we want to make this right.

Thank you,

David Turner

Thank you for notifying me of my delinquency. I strive to pay my taxes timely. In this case I simply forgot. The nice lady at the DOR office called me to notify me that I was on the list of delinquencies, so I paid it that day with the penalties to that date, that were generated by the DOR payment website per her instructions.

I do not wish to contest this and take up your valuable time.

---

This has happened once before as noted in July of 2021 when I was again distracted away from my business building on my house. To ensure this does not happen again I will add an additional step to my sales process by adding a reminder in the google calendar program when I sell to a non-cultivation license. This will prompt me make the payment 5 days prior to the deadline instead of relying on my memory. I think this will prevent this from happening again.

I hope you all are holding up well in this crazy industry. Happy Thanksgiving!
