Application procedure

An applicant must initiate a new marijuana establishment license application on a form the board prescribes, using the board's electronic system.

As soon as practical after initiating a new marijuana license application, the applicant must give notice of the application to the public by posting a copy of the application for 10 days at:

- the location of the proposed licensed premises; and
- one other conspicuous location in the area of the proposed premises, in addition to
- publishing an announcement once a week for three consecutive weeks in a newspaper of general circulation in the area; in an area where no newspaper circulates, the applicant must arrange for broadcast announcements on a radio station serving the local area where the proposed licensee seeks to operate twice a week for three successive weeks during triple A advertising time;

The newspaper or radio notice must state:

- the name of the applicant
- the name and location of the proposed premises
- the type of license applied for along with a citation to a provision of this chapter authorizing that type of license
- a statement that any comment or objection may be submitted to the board; and (3)

Also, submit a copy of the application to:

- the local government
- any community council in the area of the proposed licensed premises

After the applicant completes the notice requirements listed above and submits each remaining application requirement listed in 3 AAC 306.020, the applicant must pay the application and licensing fees set out in 3 AAC 306.100. The applicant must then use the board's electronic system to inform the board that the applicant has submitted a complete application.
