Steven & Elliot;

I reviewed your corrections. There are a couple more things:

- MJ-01-page 5-first box: 3 AAC 306.425 requires each licensee, employee, or agent who is required or permitted to be physically present on the licensed premises at any time obtain a marijuana handler permit. Your statement *"If needed, our managers will be able to authorize an employee to handle product only after they have obtained a marijuana handlers permit"*. sort of implies that only employees who obtain a marijuana handler card will be allowed to handle marijuana, but if they do not handle marijuana they will not be required to obtain a marijuana handler's card. Please correct this.
- MJ-01-page 12: Please clarify or replace the word "lumber".
- MJ-01-page 13: can you please clarify or replace the word "lumber". Also, what do you mean by "*rendered unidentifiable"* . Marijuana waste needs to be stored for three days before rendering it unusable, after the three days (and you have let us know as required under 3 AAC 306.740) d you mix it… to make it unusable. This whole answer is confusing, please re-do.
- MJ-01-page 15: Please clarify or replace the word "lumber".

- MJ-08: Is there a community council for this area?. You may need to call the Mat-Su Borough to find out for sure. If there is please provide them with a copy of the public notice and certified you did by filling out MJ-08. If there is not, please indicate so on MJ-08.

- MJ-04-page 4 (continuation page)-first box: please clarify or replace the word "lumber".

- Entity Documents: Please provide an updated partnership agreement.

As a reminder, I still need the following from the original incomplete letter:

Proof of Possession for Proposed Premises (landlord needs to make and initial corrections)

- The "Tenant" section of the lease on page 1 was left blank. ~~The tenants should be all three individuals.~~ Now is only Steven Nicol and Elliott Langford.

- Page 4-Defaults: please have the landlord incorporate a statement that he/she will not remove or take possession of marijuana and AMCO enforcement will be contacted.

Thank you
