Re: Limited Marijuana Cultivation Facility #11651

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted. Please only submit the pages that need to be corrected, if the corrections relate only to certain block(s) of the page to be corrected, still submit the entire page with all the boxes answered, I replace the entire page.

- **MJ-00 Application Certifications**
  - Rory did not initial the box on page 3 of MJ-00.
- **MJ-02 Premises Diagram**
  - On the diagram you submitted please show the following in addition to what is already on there:
    - Licensed premises
    - Restricted access areas
    - Surveillance room
    - Camera placements
    - Clearly label entrance(s) and exit(s)
- **MJ-04 Cultivation Supplemental**
  - Page 5: there is more that can be elaborated in your answer to this question. Please re-read 3AAC 306.455 and 3AAC 306.465.
- **Proof of Possession for Proposed Premises (landlord needs to make and initial corrections)**
  - The "Tenant" section of the lease on page 1 was left blank. The tenants should be all three individuals.
  - Page 4-Defaults: please have the landlord incorporate a statement that he/she will not remove or take possession of marijuana and AMCO enforcement will be contacted.

- **MJ-18 Applicant Residency Verification**
    - I was unable to verify Alaska residency through the Permanent Fund Dividend's database for any of the proposed licensees. Please complete and submit the attached MJ-18 and any documents accompanying it for each of you. They will be straight forwarded to our enforcement section for review and determination.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Jane Sawyer, Occupational Licensing Examiner, for
