Re: Limited Marijuana Cultivation Facility #12022

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted. Please, unless otherwise noted on the specific section, only submit the pages that need to be corrected, if the corrections relate only to certain block(s) of the page to be corrected still submit the entire page with all the boxes answered, I replace the entire page.

- **MJ-01 Operating Plan**
  - Page 16: The name on your sign shows Rosebuds Shatter House, but your application states Rosebuds Cultivation. Please describe the sign(s) for the cultivation facility.
  - FYI: signs with the business name, if outside, must be attached to the licensed premises.
- **MJ-02 Premises Diagram**
  - The diagram that shows the legend needs a little more work. You are applying for a limited marijuana cultivation facility, and so your diagram needs to show very clearly the area(s)/room(s)/section(s) that will actually be under cultivation. For example, on your MJ-04 you explain that within the 624 square foot flowering room you will have 9 tables…. but you do not clearly outline that on the diagram. The same with the vegetation rooms.
  - Your diagram also needs clear delineation of what the licensed premises for the cultivation facility will be. Use a different color to outline the perimeter of the proposed licensed premises (call me if you need clarification on this).
- **MJ-04 Cultivation Supplemental**
  - Page 2-the box: please include in this box the 14’ by 7’4” vegetation room you show on the diagram.

- **Proof of Possession for Proposed Premises**
    - Please have the landlord/lessor incorporate into the lease, and initial, the following:
        - An acknowledgement that the premises will be used as a marijuana establishment.
        - And, that the landlord/lessor will not take possession or remove marijuana, and AMCO enforcement will be contacted.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Jane Sawyer, Occupational Licensing Examiner
