Hello and Happy Tuesday! Attached is Donna's MJ00 and MJ09, I also attached the MJ17C (just in case you wanted it, but we are going to file a full transfer app very soon so you'll get it again). We have put Donna's prints in the mail to your office as well (with a cover sheet).

I was wondering.. since Donna's MJ00 requires her to swear under penalty of perjury that she doesn't have any criminal convictions, is that enough to allow you to let us re-open the store? Or do you need to wait till the background check comes back? I am hoping her statements contained in MJ00 under penalty of perjury would be sufficient, but this is my first MJ death of a licensee petition so I wasn't 100% sure if that would be allowed.

Thanks so much for all (the director and AMCO staff) hard work - you guys have been amazing in keeping huge amounts of businesses going during this super scary time.

> As you may recall in Feb (Feb 5th) I sent you an email notifying you that Alaskan Cannabis Outfitters, owned by Great White Bear, LLC (whose sole member is William Bear) explaining that William Bear had passed in December and the store had been closed ever since and was awaiting a personal representative to be appointed.

Donna Jo Morgan, William Bear's sister, has been appointed as the Personal Representative by the Superior Court of Alaska (please see attached). As required by 3AAC306.920, Donna is not barred by AS.17.200(i) (ie she has no disqualifying criminal convictions) from acting as the temporary licensee for this establishment. Therefore, Donna is requesting, per 3 AAC 306.920(a), your permission to operate the business for a temporary basis while preparing the application for a transfer to Ian Bear (William's son) of 100% of the ownership interest in Great White Bear, LLC dba Alaskan Cannabis Outfitters. We understand we only have 90 days to complete the transfer application (unless we request and receive an extension from the MCB for additional time).

The regulations do not state or specify any additional forms that Donna would need to sign - are there any forms she needs to complete?

And do you need any additional information or documentation from this group to process our request?

Thank you Director Klinkhart for your consideration of our request,
