Subject:	Alaska Cannabis Outfitters - License 10057 - Request extension to 90 day transfer deadline
Date:	Monday, July 13, 2020 9:03:36 AM

Hello Director Klinkhart and AMCO Team - we would like to request an extension to the 90 day timeframe to file the remaining documents for the transfer of this license. If you recall, this is the death of the sole licensee transfer, and with COVID and the personal representative living out of state we are not going to be able to get all of the outstanding transfer documents to your office prior to the 90 days being up. We would like a two week extension to that 90 day time frame.

Currently, we are awaiting receipt of publishers' affidavit from the newspaper company (they've indicated that they mailed it to us a month ago or more but we never received it so we have been requesting they email us the affidavit and we are awaiting their response), and we are waiting for the transferee's set of fingerprints, and a few more notarized signatures. It's been difficult for folks not living in Anchorage to obtain notaries, but we are confident that we can get all of these remaining issues solved by July 31st, provided this request for extension is granted.

Thank you in advance for your consideration of his request, we do hope to hear back from you soon. Thanks!
