Re: Retail Marijuana Store #11198

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted. **Please only submit the pages that need to be corrected, if the corrections relate only to certain block(s) of the page to be corrected still submit the entire page with all the boxes answered, I replace the entire page.**

- **MJ-01 Operating Plan**
    - Page 7, first box: your answer to this question does not describe how you will meet the requirement of your cameras being placed adequately to produce a clear view…. Please describe how they will.
    - Page 12, first box: your answer to this box does not describe how you will store, manage, and dispose of solid marijuana waste. Please re-review 3 AAC 306.740 and expand upon your answer adequately showing your understanding of the regulations.
    - Page 13: your answer does not describe the process or processes you will use to make the marijuana waste unusable. Please re-review 3 AAC 306.740 and provide an answer that adequately shows your understanding of the regulations.
    - Page 15, first box: your answer to this box does not describe how marijuana or marijuana product will be prepared, packaged, and secured for shipment in the event you were to transport it to another retail marijuana store (which is the only other establishment a retail marijuana store may transport to, under our current regulations). Please re-review 3 AAC 306.750 and provide an answer that clearly shows your understanding of the regulations.
    - Page 16, the box: the description of the signs you intend to post with your business name must include the size, please provide it. Signs must be attached to the proposed licensed premises, will your three signs be attached to the proposed licensed premises?. If your sign on the "Chevron Existing Sign" is one of those where it shows all the business in the plaza or strip mall, it is not allowed.

- **MJ-02 Premises Diagram**

- On the diagram where you show the floor plan detail, please very clearly show the following (use color markers if needed):
  - Proposed licensed premises
  - Within the licensed premises show the restricted access area(s)
  - Surveillance equipment
  - Cameral Placements

- **Proof of Possession for Proposed Premises**

  - Please provide a lease that includes the following (corrections/amendments to lease **must be initialed by landlord/lessee**):
    - Consideration (what the tenant will pay)
    - Acknowledgement by the landlord/lessor of the premises being used for a marijuana establishment
    - A statement that the landlord/lessor may not take possession or remove marijuana or marijuana products, and AMCO enforcement will be contacted.
    - The signature line for the tenant should include the name of the company to which the lease is written, in this case is AHWWHO, LLC. Additionally, the signature on this lease does not look like any other notarized signature of J. Grant (is quite different).

- **Entity Documents**

  - Please provide OHWWHO, LLC's operating agreement.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Jane Sawyer, Occupational Licensing Examiner
