Re: Retail Marijuana Store #11966

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted. Please only submit the pages that need to be corrected, if the corrections relate only to certain block(s) of the page to be corrected still submit the entire page with all the boxes answered, I replace the entire page.

- **MJ-00 Application Certifications**
  - Pages 2 & 3 of Thomas Desalvo's MJ-00 were not initialed (the boxes were checked, but he needs to initial them).
- **MJ-02 Premises Diagram**
  - Please provide sort of an aerial view diagram of the proposed retail marijuana store clearly showing the proposed premises and surrounding buildings.
  - Please show what the licensed premises will be. I see the restricted access areas, however, in a retail marijuana store licensed premises and restricted access area(s) make a difference. For example (couple of questions):
    - Will the "General retail" section be part of the licensed premises, but not restricted?
    - The POS counter in the "Secure retail" section, is this only a POS counter or is this counter where marijuana or marijuana product will be stored, stocked, or dispensed for sale? If this counter is going to store, stock, or dispense for sale marijuana or marijuana products there needs to be physical barriers between the wall and the counter with RAA signs on either side of the counter (essentially closing it off to customers).
  - Please call me about the diagram, I have found that some applicants' business model on allowing customers in a retail marijuana store mimic marijuana establishments in other states. I just want to make sure that I am looking at your diagram correctly and that it is in line with our regulations.

- **Proof of Possession for Proposed Premises**
    - Section 19.C. Termination: please have the landlord/lessor incorporate and initial a statement that the landlord/lessor will not take possession or remove marijuana or marijuana products and the AMCO enforcement will be contacted.
- **Entity Documents**
    - Please provide the Operating Agreements for Smart Capital Holdings, LLC, and Morse Capital, LLC.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Jane Sawyer, Occupational Licensing Examiner
