- For the retail application I need page 18 as requested in the incomplete letter.

FYI: there is a deadline to submit all complete and accurate corrections of 90 days before this application is considered incomplete and you must start over (see your incomplete letter).

Thank you

Jane

Jane,

Here is the signed owner acknowledgment form to add to the lease. I'm doing my best to get the diagrams submitted, they were suppose to be completed by today with the needed information and corrections.

I hoping to have them by the end of the week, if there not I will be looking for another contractor to complete them. I definitely would like to see everything submitted and up to par before the May 15th board meeting. If there's anything else you need or if you have any suggestions for improvements to my applications I would greatly appreciate any advice you have to give. I am headed back to work on the slope tomorrow until May 3rd but will have internet and phone accessible this time.

Thanks Again,

Sean Tower
