Re: Marijuana Product Manufacturing Facility #11304

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted. Please only submit the pages that need to be corrected, if the corrections relate only to certain block(s) of the page to be corrected, still submit the entire page with all the boxes answered, I replace the entire page.

- **MJ-01 Operating Plan**
  - Page 5-first box: a product manufacturing facility is not allowed to marijuana. Please remove that word.
  - Page 16: please describe your sings. Any signs/logos of your marijuana business must be attached to the proposed licensed premises.
- **MJ-02 Premises Diagram**
  - Please provide an aerial view of the premises clearly showing the proposed premises and surrounding buildings.
  - On the premises diagram you submitted, please provide the following:
    - Outline the proposed licensed premises
    - Show camera placements
  - Your diagram shows a "cultivation area". You did not indicate you were applying for a marijuana cultivation facility. Please give me a call, you may need to re-do part of your application.
- **MJ-05 Product Manufacturing Supplemental**
  - The information about your products needs to be improved significantly. Please re-read the regulations, re-do, and resubmit it for review. The following are examples of incomplete information:
    - Product Description was not provided for any products (this is on page four). It must be described in writing not just "See attached".

- Packaging Description did not include all the information necessary. You did not fully describe your packaging other than saying "plastic". What constitutes a single serving? For example, is it the entire brownie? Is it half of the brownie? Etc. Same questions apply to all the products.
- The labels are a little too blurry. The first statement the word "intoxication" should be "intoxicating".
- Page 4 & 5 must be submitted for each product. There are a few products that did not include page 5.
- Some items do not have a depicted picture.

- **Proof of Possession for Proposed Premises**
  - Please provide a commercial lease where the applicant of the marijuana establishment, in this case YNY Investment, LLC, is the tenant.
  - Make sure that the lease to YNY Investment, LLC allows for marijuana establishment(s). You submitted two exact same leases, but one allows only for retail marijuana and the other one marijuana "produce" (should be product manufacturing) only. So which one is allowed?
  - The lease to YNY Investment, LLC needs to be signed by the landlord and by an owner of YNY Investment, LLC as the tenant.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Jane Sawyer, Occupational Licensing Examiner, for
