Licensee Dennis Humphrey was denied a PFD for the 2016 year despite receiving a PFD for the previous thirteen years. He lives in Alaska but works out of state. All other requirements of his application appear to be in order. Mr. Humphrey plans to appeal his PFD denial.

Given that 3 AAC 306.015(b) requires licensees to be residents of the state, I recommend that the board approve this license with delegation, and the delegation should include a requirement for a ruling by the Permanent Fund Dividend Division that Mr. Humphrey meets the residency requirement.
